

Antiques Appraisal Event to benefit The Bedford Historical Society

Don't Miss This!

Thursday, November 5th, 10AM - 4PM
Held at First Parish Church on The Common
75 The Great Road, Bedford, MA 01730

Kaminski Auctions will be sending a team of experts to provide information on the age and history of pieces brought to the event and will give verbal appraisals of what the pieces might fetch at auction. Kaminski is providing their services for free, so 100% of the proceeds will benefit the Society and its work with the town to re-establish an historic museum.

Members of the Bedford Arts and Crafts Society and Bedford Center for the Arts will show a few artworks by their members. The Bedford Historical Society is a 501c3 corporation so donations are deductible to the extent allowed by law.
