

[Bedford WordPress Users: Security and WordPress – a discussion and some tips](#)

Wednesday, April 1
7 until 8 pm

Bedford TV Studio
Old Town Hall, 16 South Road

The second meeting of the Bedford WordPress Users group will be held on Wednesday, April 1st at the Bedford TV studio at Old Town Hall, 16 South Rd, 2nd floor. The meeting is open to anybody who uses WordPress – bloggers, aspiring-bloggers, web developers etc.

At this meeting we'll discuss security and WordPress – what you should do to protect your site.

There will be an informal presentation, followed by a discussion where we would like users to share their experiences with WordPress security. Bring your questions and together we'll all try to find answers!

Despite the snow, we had a nice turnout for the first meeting on January 28th. We hope to see many more on April 1st. Join us on [Facebook](#) or follow [our blog](#) to get our latest updates.

We hope to see you there!
