

## We want to hear from YOU!

Bedford TV is hosting focus groups to get a feel for the needs of the Bedford community (young and old, male and female - we'd like to see everyone represented).

What would you like to see on Bedford TV and what do you think of the current offerings?

The next session is on **Monday, November 3rd at 7pm** at the Bedford TV studio on the second floor of Old Town Hall, 16 South Road.

Each participant will receive a Bedford TV gift. Refreshments will be provided.
