## *Grow Your Own Salad Bowl Container Garden Workshop*

*With Mary Kernan*

*Tuesday, May 19 from 6:00 to 8:00pm*

*Do you want to grow vegetables but don't think you have enough space? Container gardening is a great place to start. With a little forethought, your container garden can be as attractive as it is useful, adding to the beauty of your landscape while also providing a bounty of fresh vegetables and herbs. In this workshop we will discuss the basics of selecting a container, why you need a good potting mix, what can grow in containers, how to keep it watered and more. We will be planting a salad bowl, complete with tomatoes, lettuce, herbs, edible flowers, etc., so you can go home and start picking in just a few weeks. (age 16+, age 12 and up with a parent) Please bring gardening gloves (pruning shears and garden kneeling pad optional ) Material fee of approximately \$30 payable to the instructor at class.  
Workshop Fee: \$30*
