

Register by July 31st for a chance to win an iRobot Roomba

DANNY OATES MEMORIAL 5k ROAD RACE AND 2.5k WALK

Saturday, September 19, 2015

John Glenn Middle School, Bedford MA

www.dannyoates5k.com

The 21st annual race is again part of the Bedford Day Celebration. Starting at the John Glenn Middle School, the 5k course features mostly flat, residential streets. We also host a Kids Fun run on the track just prior to the race for ages 3-10!! Run and Walk registration is \$20 pre event, \$25 day of, (\$5 military) and includes a long-sleeved tee for all participants.

All registrations before July 31 are entered in our drawing for an iRobot Roomba vacuum cleaning robot. You go for a run- it stays home and cleans!!!

The Danny Oates Memorial Race was founded to pay tribute to the beloved son of Robert and Judy Oates of Bedford, MA. Bob is a retired member of the Bedford Fire Department and member of various civic organizations; their son Brian currently serves as one of our local firefighters. All proceeds of the race fund the Danny Oates Memorial Scholarship, administered by the Frank W. Thompson Lodge. In 2014, the organization gave out over \$15,000 in scholarships.
