**6:30pm**

**Master Class Seminar  
Led by Greg Dolan,  
Production Director @  
Bedford TV**

**“Intro to Film Language”**

**There’s more to movies than just the story. Production elements such as camera angles and lighting help filmmakers tell the story they want to tell. We’ll examine the basics of how visual language helps filmmakers tell their story and how to analyze these techniques to enhance your enjoyment of film and make better videos.**

**Watch Bedford TV on [Comcast Channels 8, 9, 99](#) or [Verizon Channels 38, 39, 40](#) or  
Watch On Demand at Bedford TV’s [You Tube Channel](#)**
