

# Become a Bedford Minuteman

Past Company Captains issue a heartfelt HUZAH at the Company's 50<sup>th</sup> reunion in 2014

The community is invited to investigate joining the Bedford Minuteman Company at a 7:30 pm meeting on September 10 in the historic Job Lane House, 295 North Road.

Members of the Bedford Minuteman Company participate in April's annual Pole Capping ceremony, march in parades--including Concord's famous Patriot's Day extravaganza, playing their fifes or drums and firing their black-powder muskets. The Company has also sponsored an annual scholarship, funded through the sale of Luminaria during the holiday season.
