

Middlesex Community College to Host Bedford Campus Open House

Join Middlesex Community College for an **Admissions Open House on the Bedford campus**, to be held from 9:30 a.m. to noon, Saturday, Nov. 15, in the Bedford Campus Center, 591 Springs Road.

Prospective students and their families, as well as adult learners interested in continuing their education, will have the opportunity to learn about MCC's more than 75 degree and certificate programs, noncredit courses, and online and flexible learning options.

During the Bedford Campus Open House, students can explore specific areas of academic interest, meet with faculty and academic deans, attend a financial-aid workshop, and take a campus tour.

Many of MCC's academic programs allow students to earn an associate degree and then transfer to a four-year public college or university through the statewide *MassTransfer* program. MCC also offers articulation agreements with private colleges. Transfer agreements are designed to ease the transfer process, allowing a student to specifically plan a curriculum that will fit a chosen bachelor's degree program.

"This open house format gives students an opportunity to learn about everything Middlesex has to offer," said Marilynn Gallagan, MCC's Dean of Admissions.

Advisors and administrators will be on hand to answer student questions and provide information about how to be successful at Middlesex. Students can learn about MCC's many support services, such as academic and career counseling, tutoring, disability support and other special programs. Students can even turn in college applications and schedule appointments for placement testing.

For more information or to RSVP for MCC's Admissions Open House, visit <http://www.middlesex.mass.edu/OH> or call 1-800-818-3434.

Middlesex Community College meets the evolving educational, civic and workforce needs of our local and global communities. As one of the largest, most comprehensive community colleges in the state, we educate more than 13,000 students annually on our campuses in Bedford and Lowell, and online. MCC offers more than 75 degree and certificate programs, plus hundreds of noncredit courses. At Middlesex, everyone teaches, everyone learns.
