

Math MovesU

New activities for 2014! This fun-filled day features workshops led by women engineers from Raytheon, professors at Middlesex Community College and engineering students. Girls in grades 4-5 participate in a variety of activities while girls in grade 6-8 focus on robotic technology. Learn about different types of careers, participate in hands-on activities, and have fun!

- Who:** Girls in grades 4-8
- Date:** Sunday, November 2, 2014
- Time:** 9:30 AM - 4 PM
- Location:** Middlesex Community College
591 Springs Road, Bedford, MA
- Cost:** **Current Girl Scouts \$25** (includes program supplies, lunch and a patch)
New Girl Scouts \$50 (Join us and if you have fun, apply the event cost toward a one-year membership so you can participate in more programs like this.)

Financial assistance is available.

Register by October 27 at girlscoutseasternmass.org/programs.

For program questions, contact Sacha Lu at 978-701-6331 or slu@girlscoutseasternmass.org.

Free bus transportation to and from the event at select locations. See back for bus schedules. Buses that do not meet required occupancy rates will be cancelled. Advanced notice provided.
