

Sample the area's best food at
New England Nurseries
annual Holiday Happening

Saturday, November 22 from noon until 2 pm

Family activities and entertaining are often food centered in beautifully decorated homes and restaurants.

On Saturday, November 22nd from 12:00 until 2:00 New England Nurseries in Bedford presents its annual **Holiday Happening**, offering the opportunity to sample the best from local restaurants and chat with the Executive Chef or owner of each outstanding business.

Greet your neighbors while enjoying uniquely decorated trees, or try your hand at making your own fresh boxwood tree. The **Music Makers School of Acton** will again be present to set the mood for a beautiful start to the Holiday Season.

Say hello to Executive **Chef Jayson Demarco of Sora at the Doubletree Hotel** while you sample one of the delicious morsels the restaurant is known for; around the corner Bedford Flatbread will offer their popular Organic Salad. If you enjoy French wine, tastings will be offered from the Chateau D'Esclans vineyards in France.

Dana Gallo Strayton of Prince Street Bakery, by popular demand, will again be showcasing ricotta pie, prepared from a family heirloom recipe, and another participant of many years, Lesters Roadside Barbecue, promises to surprise us with something wonderful.

Barbara Purchia and Ashley Rooney, local authors, will be present to sign copies of their new book, [*Fairy Homes and Gardens*](#), a great gift for children to grandmothers.

Join us for a relaxing and festive start to the Holiday Season ahead.
The event is Free.
