Pedestrian + Bicycle Master Plan

OPEN HOUSE

Wednesday, November 12th • 7:00 PM

Town Hall Auditorium

- ✓ Learn about the plan and share your ideas
- ✓ Participate in a mapping exercise
- ✓ Tell us where you would like to see improvements
- ✓ Learn how to make the town's streets and paths better for walking and bicycling

The Town of Bedford is developing a Pedestrian and Bicycle Master Plan to improve the safety, comfort, and convenience of walking and bicycling throughout town. The plan will identify priority corridors for walking and bicycling and make recommendations for specific improvements. Please visit the webpage below for project information and for a link to the interactive Wikimap.
