# THE BEDFORD CITIZEN

## **Candidate Information Policy**

### **Massachusetts General Election**

### **November 4, 2014**

The Bedford Citizen will provide an equal platform for candidates but, due to limits on staff time, must depend on contributions and cooperation of the campaigns. We are happy to provide this platform, but we are not responsible if it is not utilized equally by all candidates.

We will make the following information available to voters:

- 1) We will list links to each candidate's website.
- 2) Candidate events will be listed in our "On the Horizon" section if the office represents Bedford or for statewide candidates, if the event is held in Bedford or a contiguous town.
- 3) In addition, we are asking the local Republican and Democratic Town Committees to be sources of information for their candidates, and we will publish one article per week, per party.
- 4) For independent candidates we will also publish one article a week from their campaign headquarters or a local contact they designate.
- 5) Comments or Letters to the Editor must come from a verifiable email address, per our regular policy.
