

Lane School's 3rd Annual SOUP-er-Bowl XLIX Challenge

January 19th through January 30th 2015

What it is the challenge? Your class is challenged to bring in **XLIX (49) OR MORE** non-perishable items before **January 30th!** This number is less than our school goal!

Where will the items go?: The items will be donated to the Bedford Food Pantry.

- We will be collecting non-perishable food items each morning after announcements and keeping a running tally of how many we get each day. Our school goal is 2,350 - but we can do better!
- All collected items will be displayed in the front lobby and students will be asked to help sort and count the items. **PLEASE MAKE SURE ITEMS ARE NOT EXPIRED**
- Let's pull together support our local team- **THE TOWN OF BEDFORD!**
- The winning class will have their class name placed on the Soup-er-Bowl trophy that is placed in the lobby display case!

** Last year we exceeded our goal. Let's see if we can do it again!

Suggested Items: soups (all kinds), meals in a can (Spaghetti O's and ravioli...), and pasta (all types), pasta sauce (jarred and canned), canned fruits and vegetables, tuna fish, macaroni and cheese-just to name a few (the list is really endless)!!! ☺
