EMPTY MANSIONS :

the mysterious life of Huguetta Clark and the spending of a great American fortune

by Bill Dedman and Paul Clark Newell, Jr.

"When Pulitzer Prize-winning journalist Bill Dedman noticed a property listing for a grand estate that had been unoccupied for nearly sixty years, he stumbled into one of the most surprising American stories of the nineteenth and twentieth centuries. Empty Mansions is a rich tale of wealth and loss, complete with copper barons, Gilded Age opulence, and backdoor politics."
