

**Citizenship Award Winner  
Naomi Robinson**

I would like to start off by thanking my aunt, my sisters, and my mom for coming out and supporting me today.

I would also like to thank the town of bedford and bedford high school for recognizing me for this award. My experiences in and out bedford have been amazing, and I have learned so much about working with citizens in different communities. It will be bitter sweet not being able to return to this school everyday at 7 o'clock in the final months of my high school experience.

Thankyou all so much for this award and I will cherish it with all of my wonderful memories of Bedford. Thankyou.
