

## Bedford Cultural Council Hosts Grant Writing Workshop

The Bedford Cultural Council (BCC) has \$4600 to fund projects in the arts, humanities, and sciences. All residents are invited to attend a special grant writing workshop to learn how to turn an idea into an effective proposal.

The workshop will take place from 6-8 pm on September 15 in the Fourth Floor Conference Room of the Bedford Free Public Library; and is open to any non-profit organization, educational institution, or individual interested in applying who has a project that will benefit Bedford.
