

## POMS\* TO HOST “MEET THE TEACHERS” MUSICAL SALON JUNE 13, 2016

Bedford Patrons of Music Students (POMS), has long provided a reasonably priced, convenient private music lesson program for the Bedford youth community. This past school year, over 150 Bedford students have participated in this program. This year, we are pleased to offer adult private music lessons on a space-available basis, and plan to continue this moving forward!

In order to introduce the Bedford community to the wonderful teachers who provide these lessons, POMS is hosting a “Meet the Teachers” musical salon on June 13, 2016, at 6:30-8:00 PM in St. Michael’s Parish hall. Each music teacher will perform short excerpt with their principal instrument, to highlight the style they teach to students.

In addition to a wonderful evening of music, attendees will have a chance to meet the teachers and discuss private lessons, and meet with select vendors, including Leonard’s Music, and Cambridge Piano. Light refreshments will be served. All attendees will be eligible for a raffle worth \$50 off a trimester of private lessons of their choice!

POMS is an all-volunteer fundraising organization that supports music students, music teachers, and music programs in the Bedford Public Schools. Come learn more about volunteering for the important arts organization. For more information please visit [bedfordpoms.org](http://bedfordpoms.org).
