I do not have a web address and do not visit Facebook very frequently and post even less. The best way to contact me is by e-mail.

Candidate Statement

My name is Zoe Pierce and I am running for the Board of Assessors. My husband Ed and I have lived in Bedford for 24 years. We have raised three children here, all proud graduates of the Bedford Public School System. Growing up in an Air Force family, I rarely lived in any one place for more than a couple of years. So when we chose Bedford to “sink our roots”, as they say, the attraction was not only the lovely town that Bedford was/ is, but also the connection/impact of Hanscom Air Force Base and the diversity that their presence brings. I personally found a place to call home and have strived to be an active member of this community that we, as a family, love so much. As far as volunteerism, while my children were young, I served on the Public Ceremonies Committee, the 275th Bedford Birthday Celebration Task Force, and the Affordable Housing Committee. The participation I am the most proud of, however, is being an active member of the Bedford Garden Club since 2002. I have been the Club Auditor and Co-Chairman of Bedford Day for the past several years. While my role in the Club has changed over time, I consider this group as one of the primary caretakers of our beautiful town and I am grateful to be a part of it.

Professionally, I am the Treasurer/Collector for the Town of Wayland, MA. Prior to this position, I was the Assistant Treasurer/Collector for the City of Randolph, MA. In total, I have worked for four municipalities in Massachusetts, over a thirteen year period. As I found a place to call home, I have also found my calling in the career world.

It has been an honor serving on the Board of Assessors for the past three years. I feel that my experience in the municipal world adds value to what I bring to the table as a Board member. It is with that thought that I am asking for your support on March 11th.
