

# **FIX-IT-SHOP**

**NEARBY...and ready to help YOU as part of the Bedford COA**

**Our rates are low and we fix almost everything. We are capable volunteers who take pride in our work. We are open to all—from Bedford and any other town.**

**For example, we:**

- **replace watch batteries for only \$5**
- **repair mechanical clocks: cuckoo, grandfather/grandmother, wall, mantel, anniversary**
- **repair lamps, vacuum cleaners, garden tools, remote controls, etc.**
- **fix small appliances such as coffee makers, blenders, toasters, fans, and humidifiers**
- **unstick stubborn switches, such as on a microwave door**
- **sharpen knives and scissors**
- **re-glue tables and chairs**

**The minimum charge is \$2. The shop stocks many standard parts. Anything requiring extensive labor or special-order parts will be done only after prior customer approval.**

**All proceeds benefit the FBCOA (Friends of the Bedford Council on Aging). In addition to the repair cost, voluntary donations in support of COA activities are always greatly appreciated.**

## **IF YOU'RE NOT SURE, BRING IT IN!!!**

**Open Tuesdays and Wednesdays 9:00am to 12:00 noon**

**Town Center (yellow building behind Town Hall)**

**12 Mudge Way  
Bedford, MA 01730  
781 275-6825**
