

ELECTION ~ 2019
LETTER TO THE EDITOR

Emily Mitchell

By Tina Nappi

I am excited that Emily is running for Selectman, and know that she will serve Bedford well.

Emily's dedication to public service is evident by her active civic engagement throughout her 18 years in Bedford. I have observed her strong commitment to mentoring youth and her investment of volunteer work in support of the Bedford Public Schools. I have spent countless hours with Emily planning, organizing and volunteering at numerous meetings, events and fundraising efforts at the schools, and for Patrons of Music Students (POMS), where Emily currently serves as Board President.

Consistently, I am impressed with Emily's skills and leadership. She is thoughtful and knowledgeable about a broad range of issues locally, nationally and globally. She listens attentively to people's needs and addresses concerns with care and intelligence. Emily manages a high volume of work and multi-tasks with great efficiency. She is analytical, open-minded and a creative problem-solver. I especially appreciate how she has articulated her priorities for Bedford residents: accessibility; livability and inclusivity. I hope you will join me and cast one of your two votes for Selectman for Emily Mitchell.
